MEMORANDUM FOR: Chief, Organization & Methods Service

ATTENTION:

25X1A9a

SUBJECT: Proposed CIA Regulation on Control of
Code Designations.

Reference is made to your request for comments and/or concurrence on the proposed CIA Regulation regarding Control of Code Designations, a copy of which is attached. This office generally concurs in the basic document, but feels that paragraph D. (1), (a) should be clarified to some extent. For example, when the normal cryptographic procedure will not suffice, who makes the determination? What is the criteria, etc.? Also, does this apply to dispatches pouched in from the field?

Chief, Personnel Division (C)
